550 First Avenue at 32nd Street

New York, NY 10016

What is S.E.E.?

The S.E.E. Program is an award-winning 2-day seminar on seizures and epilepsy. It is for people with epilepsy age 12 through adult, their family members and parents of children with epilepsy. In two days you will learn how you can get the best seizure control possible with the fewest side-effects from treatment. For more information about the S.E.E. Program please visit www.theseeprogram.com.

Part One- Saturday, March 18th

- Medical Aspects of Epilepsy
- Importance of Epilepsy Education
- Explanation of Epilepsy and Seizure Types
- Diagnosis of Epilepsy
- Getting the Best Seizure Control
- Medication Management
- Alternative Treatments
